Mr. James H. Korby,
Secretary of State,
Capitol Building,
Phoenix, Arizona

Dear Sir:

I have your letter of June 18th, together with enclosed form of notice of primary election and I am of the opinion that this notice is in substantial compliance with the requirements of our law.

With particular reference to your inquiry regarding the Judge of the Superior Court of Santa Cruz County, I will advise it is necessary that you include, in your notice to the Clerk of the Board of Supervisors of that county, a call for the nomination of such judge, not only for the regular term, but also for the unexpired term of W. A. O'Connor, deceased.

Yours very truly,

Attorney General
